REPORT NO.: ADV/19-20/1688

DATE : 11.02.2020

TEST REPORT

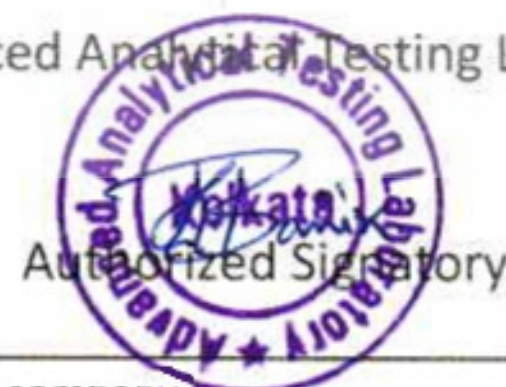

Issued To:	M/S Splendora India 101/1/1 IR Belilious Lane, Howrah, West Bengal – 711101, India
Sample Description	Handmade Natural Soap
Product Code	Batch No. SSI-010
Issue Date	30.01.2020

Information on basic physical and chemical properties

a) Physical form	Semisolid
b) Appearance	Dark green semisolid
c) Color	Dark Green
d) Odour	Pleasant odour of natural oil soap
e) Odour threshold	No information available
f) pH	10.01
g) Melting point / freezing point	150 F/32F
h) Initial boiling point and boiling range	Not applicable
i) Flash point	Not applicable
j) Evaporation rate	Non evaporable
k) Flammability (solid, gas)	Inflammable
l) Upper / lower flammability or explosive limits	Not applicable
m) Vapour pressure	Not applicable
n) Vapour density	Not applicable
o) Apparent density	1.03 g/cc
p) Water Solubility	Soluble
q) Partition coefficient: n-octanol / water	No data available
r) Auto-ignition temperature	Non flammable
s) Decomposition temperature	150 F
t) Viscosity	Not data available
u) Explosive properties	Non explosive
v) Oxidising properties	Non oxidizable
w) VOC content	61.2 %

Splendore India

For Advanced Analytical Testing Laboratory
